10954 m² Area

Description

Description:

Tourist (70%) and Agricultural (30%) piece of land in Gialia, Paphos, with a total area of 10,954sqm. The field has a rectangular shape, slightly slanted with sea views and road access.

Area:

Argaka is a costal farming village, about 7km East of Polis, built along a ridge, famous for its magnificent sunsets and hospitality. It is blessed with the most amazing beaches coupled with magnificent views of the sea. Its location makes it the ideal place to just sit back and relax. The village features a selection of shops, supermarkets and banks, to satisfy all visitor's needs while on holiday. Argaka has several dams where fishing may be possible. This part of the island is very fertile and has an abundance of fruit trees including figs, grapes, prickly pears, apples,
